Meg:
I received confirmation today that September 14 through the 28th are acceptable for both Dr. Rakitin and Prof. Malkin; I am still waiting to hear about the 8th through the 12th. Please confirm which five days you would like to schedule the depositions for and I will confirm with our client. Also, we need to discuss pre-payment of appropriate travel accommodations for the 14-plus hour flight from Moscow.

Thanks,
Jesse
